The Zoo Box

I see very well that the taste they have for being the depositary of family secrets, for being necessary for reconciliations, for procuring commissions or for organizing the servants, for finding every door open in the houses of noblemen, for eating often at large tables, for taking carriage rides in a large city, and for making delicious retreats to the countryside, for seeing many renowned and distinguished men be interested in their life and health, and to manage every human interest for others and themselves, I see very well, once again, that this alone has brought about the specious and blameless pretexte of caring for people's souls, and spread among society an inexhaustible nursery of spiritual directors.
